

How can I be sure?

Episode Five: I Am Sure that Christianity is Good For Society

Begin your discussion by watching Episode 5 – Clip 1

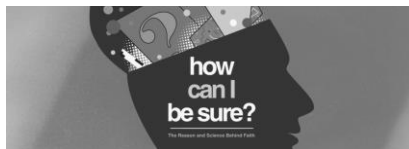

Discuss:

1. Have you ever struggled with this topic? Have you ever questioned whether or not Christianity is good for society?
2. Jason talks in this clip about Isaac Newton's contribution to science and he spoke about how Newton was a Christian. What are other contributions to science that the Christians have made that you can think of?
3. In conversations you are having or have overheard recently, in what ways do people believe that Christianity has been detrimental or oppressive to society.

Continue by watching Episode 5 – Clip 2

Discuss:

4. What are your thoughts on Christian evangelism after watching this clip? Has the idea of trying to convert people to Christianity changed in your mind because of this video?

How can I be sure?

Continue by watching Episode 5 – Clip 3

Discuss:

5. What are your main takeaways from this video? What are other examples of Christianity being good for society not mentioned in this video?
6. Have these clips changed your perspective towards this topic in any way?
7. Christians aren't perfect because we are all human. What are ways we can serve God and stand for our beliefs without falling into traps many Christians fall into in our modern society? How can we work to be better?
8. What can I do this week differently that this discussion has inspired?

Conclude your time by praying for each other for this week
